YOUTH ADVISORY PANEL?

We need your help!

- Are you between the ages of 14 – 21?
- Have you got something to say?
- Do you want young people's voices to be heard?
- Would you like to get involved in developing a radio programme/podcasts?

If this sounds like something you'd like to find out more about, then why not come along to a meeting next **Wednesday 17th February in axis @ 5.30pm**. You will get a chance to meet the artists and facilitators who will be involved in this 10 week project – DJ Moschops & Emma Connors. We'll also have registration forms on the night, if you want to sign up for the project.

What's involved?

A 10 week Podcast project beginning on Wednesday 24th February

The aim of the project is to set up and develop a Youth Advisory Panel for Jigsaw - youngballymun.

Over the 10 weeks, you will develop a youth radio programme/podcasts around different youth issues

Once this 10 week project has finished, you will have the opportunity to stay on as members of the Jigsaw - youngballymun Youth Advisory Panel and so will be involved in other exciting and important work over the year.
